Different Pointe of View Hosts Upcoming Insider's View Dinner with Schweiger Vineyards

PHOENIX, Ariz. – February 1, 2012 – [Different Pointe of View](#), the mountaintop restaurant at [Pointe Hilton Tapatio Cliffs Resort](#), welcomes California's [Schweiger Vineyards](#) to the restaurant's popular Insider's View dinner series on Friday, Feb. 24.

The exclusive Insider's View events are a unique, intimate dining experience in which only a dozen guests enjoy every course prepared tableside by Different Pointe of View's AAA Four Diamond Executive Chef, Anthony DeMuro. Guests enjoy a free flowing conversation with the chef and an esteemed winery's owner/winemaker.

Hosted in the dining room with spectacular 1,800-foot elevated views of Phoenix, the four-course, wine-paired dinner will feature culinary tips from Chef DeMuro, while Andrew Schweiger, the winemaker from Schweiger Vineyards, will share his expertise in the winery industry. Schweiger boasts a lifetime of experience in the California vineyards, currently growing 25 acres of Cabernet, four acres of Chardonnay and two acres of Merlot.

"Schweiger Vineyard wines are known for being very food friendly" said Chef DeMuro. "We are looking forward to creating a fantastic array of dishes and a very sensory dining experience that our guests will enjoy and remember for a long time."

The evening begins with a 6:15 p.m. reception with passed hors d'oeuvres in the Terrace Room, followed by dinner at 7 p.m. in the main dining room, which houses floor-to-ceiling glass windows, showcasing the breathtaking desert and city views of Phoenix.

Schweiger family planted their first grapes in 1981, harvesting their crops three years later. Initially, each harvests' grapes were sold to select wineries in the region. In 1994, Schweiger Vineyards became a bonded winery and the family began bottling wine under their own label. Today, Schweiger Vineyards are known for their rich volcanic soils and unique microclimates particularly favorable to Cabernet Sauvignon. While making a mark in the wine industry, Schweiger Vineyards is work to not make a mark on the planet.
